GRAYLING
creating advantage

Effortless HR data aggregation that unlocks your bespoke analytics platform. Analyze, act and drive impact with bold, data powered decisions that move your organization forward.

Solutions at a glance

AUTOMATED CUSTOM REPORTS

Stop wasting time on manual processes and receive simple, clear and insightful exportable reports across attrition, engagement, demographics, and more to better understand your data

IMPACT ANALYSIS

Quantify ROI of HR initiatives, policies, and interventions by tracking effectiveness over time. See what's working across teams, departments, and demographics to drive growth with trusted insights

STRATEGIC RECOMMENDATIONS

Your personalized dashboard analyzes your HR data and recommends clear actions. From policy updates to training strategies to boost your performance, ensure compliance, and support talent development

PERSONALIZED BENCHMARKS

Create custom benchmarks tailored to your unique objectives, whether it's industry standards or competitors you choose to reference, the choice is yours. Measure your progress and continuously improve

REAL-TIME ANALYSIS

Analyze real-time data to identify patterns, behaviours, and hidden HR risks—enabling you to stay ahead of the curve and take confident, decisive action with sophisticated trend analysis

DATA AND SECURITY

Trust and integrity come first. MeVitae follows a strict security process to ensure data protection. Fully ICO-audited and compliant with global privacy standards, including U.S. state regulations
